OUTER BURIAL CONTAINER PRICE LIST (VAULTS)

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Arranging the funeral ceremony and committal often requires the funeral home to pay others on your behalf. We do not charge for this service. An example of the people who may expect payment in advance include the cemetery, church/synagogue or clergy. Often the timing of the funeral arrangements—hour, date, or holidays—may make it necessary for us to estimate what advances you want us to make on your behalf.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.
