CONSUMER PROTECTION INFORMATION

There are some monument/memorial dealers who, shortly after burial, contact the family and claim to represent the cemetery or the funeral home. These persons will often attempt to sell a monument to a family, receive payment and fail to deliver, or suggest that there are certain requirements for monumentation and that monuments must be placed within a certain period of time. There are no such regulations requiring you to erect a monument or inscribe an existing one.

The only warranties, express or implied, granted in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturers thereof. Falco, Caruso & Leonard Funeral Home of Camden is a proud member of the Thanexus®, Inc. family—a growing cooperative of independently owned, family-operated, community based funeral homes—providing excellence in funeral service.

Arranging the funeral ceremony and committal often requires the funeral home to pay others on your behalf. We do not charge for this service. An example of the people who may expect payment in advance include the cemetery, church/synagogue or clergy. Often the timing of the funeral arrangements—hour, date, or holidays—may make it necessary for us to estimate what advances you want us to make on your behalf.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.
